#### NOTES

- Non-UK Members are reminded that the Association's Subscriptions are payable in Sterling, and **that remittances should be made by means of a Sterling Draft drawn on the UK Bank which is the Correspondent of their own Bankers**. Failure to observe this procedure results in delays in clearing Drafts and a shortfall in payment of Subscription by reason of the Bank charges incurred, which we then have to recover from the Member concerned.
- Members are obliged to inform the CNITA secretary of any changes to their category of membership or additional offices so that our records are correct and up to date.
- Members who invite an additional person to the CNITA dinner will be charged £50 per head for each additional person.
